<p><b>Hispanic Heritage Month</b></p> 	<p>Ontario is home to more than 400,000 first-, second- and third-generation Canadians of Hispanic origin. As early as 1914, Canadians who originated from the 23 Hispanic countries began immigrating to the province and today the Hispanic community is one of the fastest growing in Ontario. Hispanic-Canadians represent a dynamic community that has made significant contributions to the growth and prosperity of the Province of Ontario.</p> <p>October is a significant month for the Hispanic community. Each year, during the month of October, peoples of Hispanic origin around the world come together and pay tribute to their shared culture. Celebrations are held around the world, such as Hispanic Day (Dia de la Hispanidad), the Day of the Cultures (Dia de las Culturas), Day of the Race (Dia de la Raza), Day of Respect for Cultural Diversity (Dia del Respeto a la Diversidad Cultural), Day of Indigenous Resistance (Dia de la Resistencia Indigena), and the commemoration of Hispanic Heritage Month in North America. In 2014, the City of Toronto joined in this commemoration and officially named October as Hispanic Heritage Month.</p> <p>Source: <a href="https://www.ola.org/en/legislative-business/bills/parliament-41/session-1/bill-28">https://www.ola.org/en/legislative-business/bills/parliament-41/session-1/bill-28</a></p>

## Islamic History Month

Muslims have been contributing to all aspect of Ontario's prosperity and diverse heritage for generations.

Islamic history and culture encompasses a broad range of individual and collective experiences, as well as important contributions to literature, math, science, art and history. In 2007 the Government of Canada declared the month of October in each year as Canadian Islamic History Month.

The Province of Ontario recognizes and wishes to affirm the important contributions that Muslims make in Ontario as part of the vibrant social, economic, political and cultural fabric of our province.

Proclaiming a month to be Islamic Heritage Month in Ontario will provide all Ontarians, both today and in future generations, with an opportunity to reflect, celebrate and learn about the rich and longstanding Islamic history in the Province and the diverse roles and contributions of Muslim people in communities across Ontario. This new understanding will in turn help combat anti-Islamic sentiment.

## Women's History Month

October is Women's History Month in Canada, a time to celebrate the achievements and contributions of women and girls across the country and throughout our history.

This 2019 theme is still #MakeAnImpact, in honour of the women and girls who've made a lasting impact as pioneers in their field. Whether as business leaders, politicians, researchers, artists or activists, these women of impact have helped shape Canada into a thriving, diverse and prosperous country through their achievements and desire to make a difference.

As part of the celebrations, we launched Women of Impact in Canada, an online gallery that celebrates the achievements of more than 100 women and girls through photos and biographies that capture some of their many successes. The gallery is an educational resource, an introduction to the lives of these remarkable women, and a starting point for further discovery. Learn more about their contributions by exploring the gallery's interactive map and timelines, as well as the Learning Toolkit.

As always, educators are encouraged to seek to reflect and/or promote inquiry of a range of identities under the umbrella of people who identify as women.

This is an important message for days when schools are open and buses are cancelled and your child is therefore unable to attend school.

Parents/Guardians are required to report their child absent by calling the Safe Arrival line or entering your child's absence using the SchoolMessenger website or app prior to the start of school. Please use the "Bus Cancellation" absence code. Your child's absence will be entered as a grant day that will not count as an absence on their report card or count against perfect attendance.

This process is intended to ensure that bussed students who attend school on a bus cancelled day arrive at school safely. It is important to be aware that if the absence is not entered, the SchoolMessenger system will generate calls asking you to verify the absence. The 'Bus Cancellation' absence code should only be used on days when busses are cancelled in your school zone.

If you have any questions please contact your child's school.
